Agenda

- (Meeting 2 review) Discuss additional sample sites at Frog Springs and Rattlesnake Canyon
- Establish methods to document improvements
- Establish technical assistance
- Review financial needs

Meeting notes

1. Adding sampling sites at Frog Springs and Rattlesnake Canyon
 - a. Where should these sample sites be?
2. Establish methods to document improvements
 - a. Ideas: post to website, provide an annual report at Farm Fair, post in the local newspaper, provide technical reports or case studies
3. Establish technical assistance
 - a. Do we need more resources locally to develop integrative pest management strategies?
4. Review financial needs
 - a. Will this be a full-time job for one person? How about 40-50% of a full-time staff per year?
 - i. Current PSP budget (2021-2023 for Strategic Plan development and ongoing monitoring and outreach) funds 33% of one full-time staff per year.
 - b. Should we look into additional funding to add a research component?
