

JCSWCD Board Meeting: July 24, 2024
 Ellen Hammond (Conservation Specialist)
 Red = highlights to discuss

A. Drought Resiliency

1. Group
 - o Next Q meeting is August. Need to send out a Doodle.
 - o Slow progress
 - Mapping juniper projects
 - Working with NRCS and the Croplands Workgroup to figure out how to measure soil health in NUID
 - o Trying to find funding for the 1-minute videos
2. June 11 Soil Health Field Day: 40 participants. NRCS and I hope to provide trainings/something this winter.
3. Working with Lars to shift some of my funding from ODA to NRCS
4. Using soil/other sensors in Jefferson County as part of JeffCo broadband expansion: seeking pilot farmer!

B. SIA

1. Continuing with WQ sampling and flow monitoring; start springs next year.
2. Ryan collecting for me this summer
3. SIA Restoration grant: Roberts vegetation and livestock mgmt.
 - o Figuring out livestock water issue

C. Pesticides

1. PSP (most funding going to Ryan and me for outreach)

1. 7 Pesticides of Concern (POC)
2. Working on a general outreach flyer for PSP and POCs

Pesticides of Concern in Jefferson County, based on presence in waterways				
Pesticide of Concern	Some Common Trade Names	Type ¹	Common Local Uses	Where of Most Concern?
Dimethoate	Cygon, Dinat	I	Grass seed, alfalfa, wheat	Campbell Creek
Diuron ²	Direx, Karmex	H	Bluegrass seed, alfalfa, fencerow, stackyard, right of ways (ROWs), etc.	Campbell Creek, Culver Drain, Mud Springs, Rattlesnake Drain
Imidacloprid	Admire, Gaucho, Merit, Premier, Provado	I	Vegetables	Culver Drain
Linuron	Linex, Linurex, Premalin	H	Carrot seed	Campbell Creek, Culver Drain, Rattlesnake Drain
Oxyfluorfen	Goal, Koltar	H	Carrot seed, bluegrass seed	Campbell Creek
Prometryn	Caparol, Promet, Primatol Q	H	Carrot seed	Campbell Creek
Sulfometuron	Dust	H	ROWs, staging areas	Culver Drain

¹ I=Insecticide, H=Herbicide
² Being phased out

2. EPA Toxics – assist Ryan with

1. 3 peer-to-peer field days
2. printing weed booklets
3. tracking and reporting

D. Other

1. OACD Working Lands Committee (soil health grant hub)
2. Maintain website, Facebook page, and YouTube Channel
 - o West Jefferson SWD?
3. Getting blue truck maintenance up to date
4. Assist Kate on request
